EVENT PRODUCTS | FENCE WRAP

DuraMesh fence-wrap offers unequaled branding exposure for yourself and your sponsors. The continuous printing process enables a seamless wall of advertising to wrap around walls, fences, buildings or attached to stakes to create low cost crowd barriers.

Polyester Mesh is a strong, lightweight 100% polyester fabric that is tear resistant and will allow wind to blow through it, decreasing the wind load when freestanding on fences.

DuraMesh Fence-wrap can be printed in widths up to 1.8m by virtually any length.

Recommended uses:

- Events
- Branding & Delineation of areas
- Building wraps

Features:

- 100% Polyester Mesh Fabric
- Weight 120gsm
- Up to 1800mm wide
- Hemmed edges with brass eyelets
- Full colour print or dyed fabric*
- UV Stable
- Roll-up or fold for easy storage

DuraMesh is recommend only for uses as described above. Products are subject to damage in extreme conditions. Must be installed using recommended fixings, for advice on installation contact us on 0800 900 800.

FLAG BRANDING

Flag Label

Care Label

Durapole Range:

All Durapole products will come labeled with the Durapole brand at no charge. However we can produce own labels with your product or company brand at the Resellers cost. Please contact us for pricing.

All flags come with a care label sewn into the header.

All other products

There is no product label supplied unless with prior agreement.
All Reseller labeling costs are borne by the Reseller.

TERMS AND CONDITIONS

Conditions of Wholesale Pricing:

Payment is due in full on the 20th month following the date of the invoice.

Please note that wholesale discount may not be applied if all payment is not made within the Due Date specified.

All amounts due are required to be paid by the due date irrespective of any credit owed.
Credit requests must be received prior to the due date. If there are any queries relating to invoices please contact us as soon as possible.

Terms and Conditions:

Please refer to our Terms and Conditions of Trade sent with your account application.

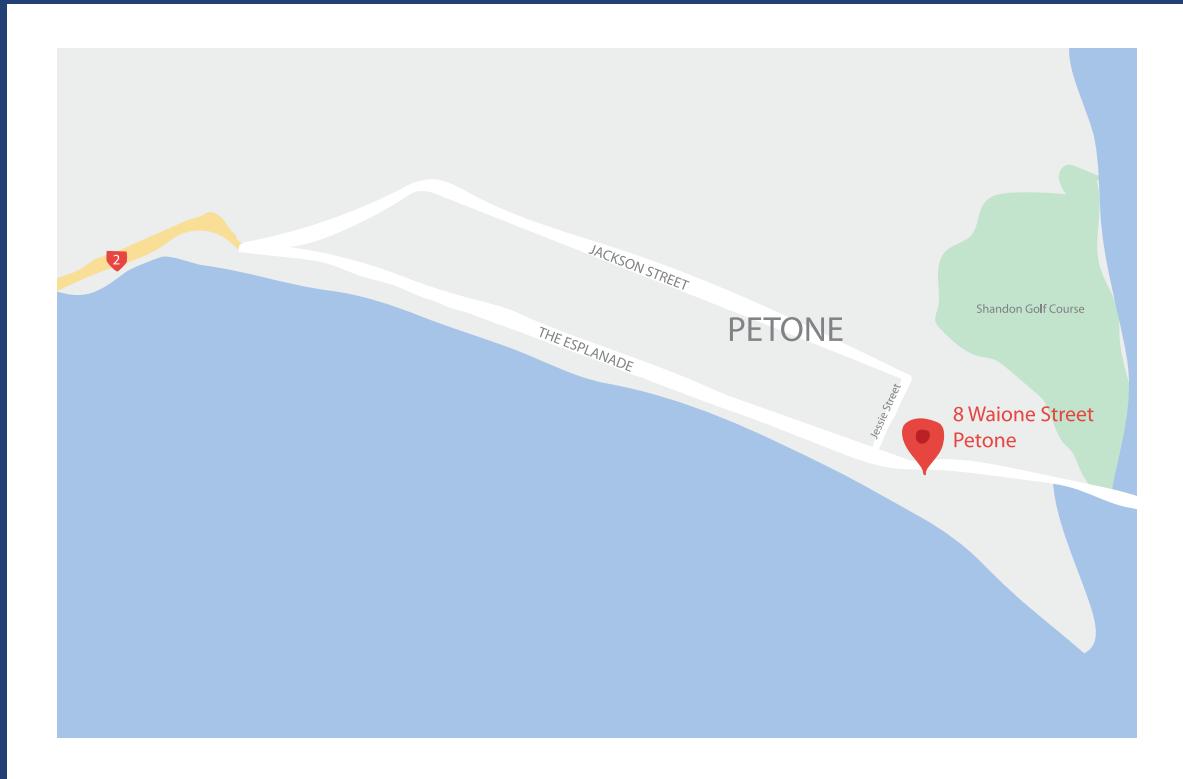

Freight:

Where products are shipped directly to your customer by Flagmakers, ensure to include freight charges to your customer as Flagmakers will be billing the Reseller freight for product deliveries. Flagmakers DOES NOT bill the Reseller's customers. Refer to freight prices in each category.

Discount Calculator:

Example: If wholesale price is \$170.00 + GST
and the discount applied is 35%
then the normal retail price is $\$170 / (1.00 - 0.35)$
= $\$170 / 0.65$
= $\$261.50 + GST$
